NOTICE TO APPLICANT

M.R.S.A. Title 23 Sec. 3360 requires:

1. A person to give a minimum of 48 hours notice, in writing, to utility companies or districts prior to excavating the highway, also when the opening is in a railroad right-of-way.
2. A person to file copies of all notices with the Town of Tremont Road Commissioner before any required permit is issued or certifies that such notices have been given.
3. Utility companies or districts must give written or verbal notice to other utility companies or districts prior to the excavation.

Your endorsement of this form certifies to the Tremont Road Commissioner that utility companies and districts have been notified in accordance with requirements listed above.

STATEMENT OF AGREEMENT

I understand that the opening will be measured by a representative of the Town of Tremont Road Commissioner. I agree to pay any subsequent charges on the difference between those estimated and the accurate measurements. If total costs are found to be less than estimated fee paid, a refund will be made. (only refunds in excess of \$1.00 will be made.)

I agree to be responsible for all final restoration of the affected area to the satisfaction of the Town of Tremont Road Commissioner.
