4. OTHER BUSINESS

The Board of Selectmen met with Warren Pettgrow-Poseidon Charters, the Selectmen negotiated with Mr. Pettgrow and settled on \$6500.00. Mr. Pettgrow has been given two weeks to sign the 2005-2006 contract; in the mean time the Selectmen have also given Poseidon Charters permission to use the wharf. Committee members questioned why the Selectmen settled for such a low figure. The Selectmen didn't agree with the formula that was used to figure out amount. They were concerned that not all the boats being serviced by Poseidon were 48ft. Therefore they settled on \$6500.00 for the upcoming year.
